

Fragaria White Tajna Veza (Secret Connection)

2020

"There is a secret connection
for all people the law is rigid
with it man binds himself
when he chooses a path"

Just as the verses say, this wine with citrus notes, mixed with herbal notes and aromas of mango, elderberry, grapefruit and peach, shows a secret connection that connects us with the past, but also opens the way for the future. At each next sip, new steps of life and new aromas are revealed, aromas just discovered in a mysterious way, aromas of apples, gooseberries, pears and many other spices that you will discover yourself...

The only rule that must be followed with this wine, is that you must enjoy this wine with friends. In addition to friends, this wine goes well with fish, chicken or turkey with herbs, cow & goat cheese - more neutral type, fried zucchini, grilled asparagus with lemon, olive oil and feta cheese, tomato tartare with basil, smoked seafood, fried squid and mussels.
